

## PRAYER

Dear Lord, as I enter into this discipleship program, I know that I need to guard against my old thought patterns and anything that has influenced me in negative ways. I know that there are things that I might believe that are not actually a Truth found in Your Word and I'm asking that You help me identify what is wrong with my thinking and help me to embrace real Truth.

I also ask that You would guard my heart and mind from any false thinking, false teaching, or false beliefs. Help me retain all that is true. Help me to persist through this process and don't let me get distracted by the world or anything else, but that I would move forward with a radical mindset to walk boldly in Christ. I ask that You would show me who I was always meant to be [in] Christ.

I will continue to ask this Lord, because I know it is important. I know also that Your Word says in Jeremiah 29:13, that if I seek You, that I will find You, if I seek You with all my heart and that's what I'm trying to do. I know also that in James 1:5, that if I am needing wisdom that I simply have to ask You and that You will generously and without any blame give it to me- so I am asking for that wisdom every single day of this journey and then Lord, I'm asking that You teach me how to walk this out. I asked all of this in the mighty name of Jesus Amen, Amen, Amen!
